

## **Season 2 Session 1 – PEEP**

**14<sup>th</sup> January 2011**

**Friday 2pm AICU SEMINAR ROOM**

Question 1 – Outline the role and function of PEEP (20mins)

Christine

Question 2 – Critically evaluate the role of PEEP in ARDS (30mins  
– Format: Theory, Evidence and Practice) Allan

Question 3 – How CAN you titrate PEEP; how DO YOU titrate  
PEEP (30 mins – an excellent exam question that stumps the  
clever)

Marc

Question 4 – What is the role of PEEP in bronchospasm (acute  
severe bronchospasm and in weaning) (30mins – this is just plain  
hard)

**Steve**
